# Chromium Bitch (O.G. 1976 Version)

## Gary Wilson

I wanna...I say I wanna...make you you my chromium bitch.
You're so...you're so electric! whew!
I wanna...I say I wanna...make you you my chromium bitch.
My bitch...Hey...I'm gonna put you in my mirror tonight now.
Ha...phew...I'm gonna put you in my mirror...tomorrow.
Ha...Hey...When I wanna be...in your arms...
You'll be there now...whew!And when I want to kiss you...
I know I...I know I can count on you...
I can count on you to be there...when I need you!
I wanna...I say I wanna...make you you my chromium bitch.
You're so cool...when I kiss you...hey!
I wanna...I say I wanna...make you you my chromium bitch.
my bitch...my bitch...hey!
I'll be kissing you tonight...whew...ha...
my...I'll be kissing you Saturday night...ha
And when you wanna call me...
I'll be there...whew.
And when you wanna go...and when you wanna go to the dance...I'll be there too.I'll be smiling...I'll be smiling...coz I love you!
I said I love...I love...I love...to kiss you by the dance...whew.
And I love...I love to hold your hand at night.
When no one's there...I'll be real cool.
When no one's there...I'll be so cool...you won't even know my name.
I'll be that cool.
and when you wanna...when you wanna...
when you wanna call me up...
I'll be ready...I'll be ready...
I'll wait...whew.
I'll wait for you to come.
