

# THE GREAT UNKNOWN

Jimi Jamison

I'm tired of being careful  
And watching every step  
I'm tired of being careful  
Now my feet are getting wet  
Cause I'm ready to run again  
Oh yeah - I'm ready to run again I feel my motors burning  
Doing close to ninety-five  
Those big wheels keep on turning  
And I'm gonna walk the wire  
I'm ready to run again  
Oh yeah - I'm ready to let it all begin  
Now I'm running right into the great unknown  
I follow you into the great unknown  
I'm coming alive in the great unknown  
I follow you into the fire I don't know where we're going  
You can't find it on a map  
I don't know where we're going  
Maybe never coming back  
Don't you know I'm ready - to run again  
I said I'm ready to let it all begin  
Now I'm running right into the great unknown  
I follow you into the great unknown  
I'm coming alive in the great unknown  
I follow you into the fire
