

# Johnny One Note (From Babes in Arms)

## The Supremes

Johnny could only sing one note  
And the note he sings was this, ah Poor Johnny, one note  
Sang out with, "Gusto"  
And just overlorded the place Poor Johnny, one note  
Yelled willy nilly  
Until he was blue in the face For holding one note was his ace  
Couldn't hear the brass  
Couldn't hear the drum  
He was in a class by himself, by gum Poor Johnny, one note  
Got in Aida  
Indeed a great chance to be brave He took his one note  
Howled like the North Wind  
Brought forth wind that made critics rave  
While Verdi turned 'round in his grave Couldn't hear the flute  
Or the big trombone  
Ev'ry one was mute  
Johnny stood alone Cats and dogs stopped yapping  
Lions in the zoo, all were jealous of Johnny's big trill  
Thunder claps stopped clapping  
Traffic ceased its roar And they tell us Niag'ra stood still  
He stopped the train whistles  
Boat whistles, steam whistles, cop whistles  
All whistles bowed to his skill Sing Johnny one note  
Sing out with, "Gusto"  
And just overwhelm all the crowd  
Ah So sing Johnny, one note, out loud  
Sing Johnny, one note  
Sing Johnny, one note out loud
