Death of Me

Calabrese

I should have seen all the signs around me
But I was comfortable inside these wounds
So go ahead and take another piece of me now
While we all bow down to you
You tear me down and then you pick me up
You take it all and still it's not enough
You try to tell me you can heal me
But I'm still bleeding and you will be the death of me
How can you know my affliction
If you're the sickness and not the cure
But too long I have faked this addiction
Another sacrifice will make us pure
You tear me down and then you pick me up
You take it all and still it's not enough
You try to tell me you can heal me
But I'm still bleeding and you will be the death of me
You tear me down and then you pick me up
You take it all and still it's not enough
You try to tell me you can heal me
But I'm still bleeding and you will be the death of me
I won't forget, I cannot forget this
I won't forget, I'll never forget this
I won't forget, I cannot forget this
I won't forget, I'll never forget this
I won't forget, I cannot forget this
I won't forget, I'll never forget this
I won't forget, I cannot forget this
I won't forget, I'll never forget
No, I can never prove this solution
You aren't the one that I thought you were
And so I learn to embrace this illusion
I will separate this all to a blur
You tear me down and then you pick me up
You take it all and still it's not enough
You try to tell me you can heal me
But I'm still bleeding and you will be the death of me
And you will be the death of me
I won't forget, I cannot forget this
And you will be the death of me
