

Cielo E Terra

Nek

Scrivo il tuo nome amico mio
oggi nel giorno dell'addio
anche se e inevitabile
mi chiedo ancora adesso
avrei potuto accorgermi
della rabbia dentro te

where was i when you tumbled down
oh when you needed me around
i think about all we might have shared
i think about you without me
e il mio ricordo naviga
the anger you needed to hide
e'improvvisamente siamo la ancora

quando eravamo cielo e terra
e di un amico la metÃfÂ
in ogni dubbio e in ogni veritÃfÂ
quando eravamo la stessa pelle
la stessa luce nel corpo e nell'anima

sad is the soul that walks alone
cold is the wind, hard is the road
sono colpevole lo sai
se ti ho lasciato solo
came into my life again
tra noi lo stesso battito
and time would never make us feel betrayed
and on that day

heaven and earth we'd walk as angels
heaven and earth we'd shine like friends
ocean and sky we'd search our eyes and there
find ourselves
heaven and earth as close as brothers
knowing each others innocent hearts so well
cosÃfÂ¬ mentre io cammino e vado via
senza mai voltarmi
and let the early hours bring us home
again

bring us home again
e dimenticare

quando eravamo cielo e terra
heaven and earth we'd shine like friends
heaven and earth as close as brothers
and know that we've come home again
know that we've come home again
