

# Whats My Name

## Drake, Rihanna

This is the fuckin' shit I be talkin about  
Half rappin' ass motherfuckers  
You think it's a game? You think it's a fuckin' game?  
Come on  
Come on  
What'cha really want  
What'cha really want, what  
What DMX?  
Come on, ride or die Ay yo, ay yo, ay yo  
What's my name?  
DMX and I be the best you see the rest  
They lookin' like they need a rest  
One more time  
I'ma spit at you some shit  
That's gon get at you be fuckin' with your mind  
Stop talkin' shit  
'Cuz you out there runnin' your mouth  
And really don't know who you fuckin' with  
Here we go again How many times do I have to tell you rap niggas?  
I have no friends you still actin' up  
Runnin' around here like some brand new pussy  
That's about to get fucked, the game don't stop  
I'm still gettin' down for whatever whenever  
That's why my shit is hot, can't keep it real  
Now, some of us do but most of us don't  
That's just how a nigga feel  
I shed blood  
For my people that'll keep you lookin' see through  
Whenever you try to creep through DMX, if you want it we got it  
Come and get it nigga we wit it  
All you gotta do is set it baby  
Ryde or die  
What'cha niggas want?  
What'cha niggas want? DMX  
If you want it we got it  
Come and get it nigga we wit it  
All you gotta do is set it baby  
Ryde or die  
What'cha niggas want?

What'cha niggas want? You still playin' games  
You gon think it's a joke  
Until they no longer remember your name  
That's how we do 'em  
Make cowards disappear into thin air  
By puttin' shit through 'em  
Never comin' back  
Last time you saw that nigga  
Is the last time you'll see that nigga No more deaths  
'Cause in a minute you gonna have grandma bein'  
The only family member left  
Bust my gun  
If I got to kill a nigga but I'm always down  
For the one on one  
Dog for life  
We gon get to the bottom of this shit if it takes all night  
Stop drop  
Open up shop, fake up north niggas screamin' for the cops  
Ryde or die  
What that mean is that I tell a nigga bye bye  
And pop him in his right eye DMX  
If you want it we got it  
Come and get it nigga we wit it  
All you gotta do is set it baby  
Ryde or die  
What'cha niggas want?  
What'cha niggas want? DMX  
If you want it we got it  
Come and get it nigga we wit it  
All you gotta do is set it baby  
Ryde or die  
What'cha niggas want?  
What'cha niggas want? Look at all these off brand niggas  
Runnin' around yappin'  
'Bout they be holdin' figgas as big as jigga's  
That's that bullshit  
Hope they know that around me  
Talkin' about what you got will get you hit  
I'm not a nice person  
I mean I'd smack the shit out you twice dog  
And that's before I start cursin'  
I stay flippin'  
One minute I'm cool the next minute, I'm up on a nigga, wippin That's my style  
I'm a cruddy nigga leave you all bloody  
Nigga service with a smile

Suck my dick  
And while you niggas that's been to jail before know  
It's about to get thick, let's get it on baby  
I'm gonna be goin' against four niggas in one  
And you think you crazy?  
I've lost my mind  
And I'm about to make you lose yours too  
From far away one timeDMX  
If you want it we got it  
Come and get it nigga we wit it  
All you gotta do is set it baby  
Ryde or die  
What'cha niggas want?

If you want it we got it
