Young Dro

[Chorus x 2]

Let me see you bounce right and left and let your shoulder lean  
Let your shoulder lean, just let your shoulder lean  
Ay, get it right, two step and let your shoulder lean  
Let your shoulder lean, just let your shoulder leanDro, I'm clean in this bitch  
Now I'm finna shoulder lean in this bitch  
Nigga, ball, carbon fifteen in this bitch  
This Grand Hustle team of kings is gettin' rich  
I lean and get lit, lima bean six  
I take breath, the opposite of Primatine Mist  
I ride twenty-six and let my nine scream 'flip'  
Dro be watchin' Oprah, Mac, nine up in a clip  
Triple black phantom nigga, nah, it ain't Tip  
With Lucky Charm diamond, but, nah, it ain't Flip

Okay, then I let my shoulder lean  
And I bet my car charge, and I bet my motor clean  
Suicide doors, Brown Rover look like poke 'n bean  
E'rybody know me in the club 'cause they smokin' me, Dro  
Hos scopin' me, ice come from Bo Bareeton  
Hundred carats have 'em froze for an eon

Put them lights up in my rims, now I'm ridin' neon  
Our cars look like crayon, hos know I'm the man though  
I can shoulder lean  
I dunno how to dance though[Chorus x 2]First I let my wheels spin, then I let my screen fall  
Then I let my trunk beat at Greenbriar Mall, tall  
And then I pimp a ho, take a bitch to Berlin  
Bitch break niggaz, after that we fuck they girlfriend  
My girl got a girlfriend, Chevy blue like whirlwind  
Nigga, it's a drought on that boy, so I got that girl in  
Pearl Bent', cockin' hammer, Arm & Hammer propaganda  
Bitches think I'm pimpin' and leanin' in salamander sandals  
Dirty South hot 'cause Atlanta show niggaz with ammo  
We ride Phantom, holla shawty for grammar  
Yep, now I be on TV, BET out the channel
