

# Ms. Bell's Song (Radio Wars Theme)

## Howling Bells

What makes you happy all the time?  
Makes you wonder if it's right?  
What gives you strength all the time  
All the time?

What wears you out when you're tired?  
Holds your hand and in the night  
What gives you strength all the time  
All the time?

To cry doesn't make it any easier  
To laugh doesn't always feel right  
It's time, time makes it all harder  
Oh, when will I?

What makes you happy all the time?  
Makes you wonder if it's right?  
What gives you strength all the time  
All the time?

To cry doesn't make it any easier  
To laugh doesn't always feel right  
It's time, time makes it all harder  
Oh, when will I?

What makes you happy all the time?
