Beacon for Pissed Ships

Mclusky

She's got a sister
I'm sorry, I missed her
The queen of the wild frontierShe's a beacon for pissed ships
She sits by your cornflakes
And waits for the gravy trainStill she's got a sister
I'm sorry, I missed her
The queen of the wild frontierOn alternate weekends
She ties herself up
And takes you to LegolandToken skinheadNow she's got a sister
I'm sorry, I missed her
The queen of the wild frontierShe's a beacon for pissed ships
She sits by your cornflakes
And waits for the gravy trainIf you wash up your dishes
And clean up the room
Then I'll take you to LegolandIf you play the casinos
And try to unwind
Then I'll take you to LegolandToken skinhead
