Spirit(Gothic Metal / Doom Metal)

Paradise Lost

They say spirit always stays
They're all the same
These days experience decays
They all becameThey're all the same
Agonising together
Like you know me
You must know me
All the tears I've endeavoured
You must owe me
You must owe meThey say will it all away
They're all the same
These days certainty is pain
They all becameThey're all the same
Agonising together
Like you know me
You must know me
All the tears I've endeavoured
You must owe me
