

# Spirit(Gothic Metal / Doom Metal)

## Paradise Lost

They say spirit always stays  
They're all the same  
These days experience decays  
They all becameThey're all the same  
Agonising together  
Like you know me  
You must know me  
All the tears I've endeavoured  
You must owe me  
You must owe meThey say will it all away  
They're all the same  
These days certainty is pain  
They all becameThey're all the same  
Agonising together  
Like you know me  
You must know me  
All the tears I've endeavoured  
You must owe me
