

# Heaven Is a Halfpipe

## OPM

If I die before I wake  
At least in heaven I can skate  
Cause right now on earth I can't do jack  
Without the man up on my back Now heaven would be a DJ  
Spinning dub all night long  
And heaven would just kickin' back  
With Jesus packing my bong  
And if you don't believe in Jesus and Muhammad and Budha too  
And while the world is warring  
We'll sit back and laugh at you singing If I die before I wake  
At least in heaven I can skate  
Cause right now on earth I can't do jack  
Without the man up on my back Now when most people think of heaven  
They see those Pearly Gates  
But I looked a little closer  
And there's a sign says "Do Not Skate"  
So if you wanna come to my heaven  
Well we're all gonna have a ball  
And everyone you know is welcome  
Cause we got no gates or walls singing If I die before I wake  
At least in heaven I can skate  
Cause right now on earth I can't do shit  
Without the man fucking with it And then I got to the gate  
Pulled a list that I'd been calling fate  
I'm sorry friend you can't come in  
You gotta a list here that doesn't end  
You're mad cause I smoke dope  
You teaching any classes in how to cope  
I'll find a place to rest my head  
I rather be alone now that I'm dead  
Like Christian Hosoi way back in '87  
We'll be busting Christ airs until we get to heaven  
Think I really care that I miss my Biology  
Got my education in stale fishology  
With all your rules you got to chill  
I'm gonna twist out Mike McGill  
I'm gonna twist out cause I got the skills  
I'm gonna twist out cause I got the skills got the skills Heaven is a halfpipe  
Heaven is a halfpipe If I die before I wake

At least in heaven I can skate  
Cause right now on earth I can't do jack  
Without the man up on my back If I die before I wake  
At least in heaven I can skate  
Cause right now on earth I can't do shit  
Without the man fucking with it If I die before I wake  
At least in heaven I can skate  
Cause right now on earth I can't do shit  
Without the man fucking with it
