Blessed By A Nightmare

Autopilot Off

Hands up and don't you make a sound
Shotgun is pointed at me now
It just might blow me awaySo here's all I have, it isn't much but please
All I ask is, let me walk away
Just then I thought I heard the soundI never had this feeling so cold
I stood there freezing and waiting
I never had this feeling so cold
It seemed too easy
It seemed too easy to be goneHands out before I kiss the ground
Shotgun still pointed at me now
Ready to blow me awayAnd I don't think I will make it home tonight
Don't think I will make it out alive
That's when I thought I heard the soundI never had this feeling so cold
I stood there freezing and waiting
I never had this feeling so cold
It seemed too easy
It seemed too easy to be goneEach night I dream it all again
Steel barrel up against my head
Each night I never get away
It's shots fired, shots fired, shotsIf the light should take me
Then tonight I'll be freeI never had this feeling so cold
I stood there freezing and waiting
I never had this feeling so cold
It seemed too easy
It seemed too easy to be goneI'm blessed by a nightmare nightly
And when I'm dyin' it reminds me
I grab the air now and hold it tightly
Remember everything I love, then I'm gone
