

# Blessed By A Nightmare

## Autopilot Off

Hands up and don't you make a sound  
Shotgun is pointed at me now  
It just might blow me awaySo here's all I have, it isn't much but please  
All I ask is, let me walk away  
Just then I thought I heard the soundI never had this feeling so cold  
I stood there freezing and waiting  
I never had this feeling so cold  
It seemed too easy  
It seemed too easy to be goneHands out before I kiss the ground  
Shotgun still pointed at me now  
Ready to blow me awayAnd I don't think I will make it home tonight  
Don't think I will make it out alive  
That's when I thought I heard the soundI never had this feeling so cold  
I stood there freezing and waiting  
I never had this feeling so cold  
It seemed too easy  
It seemed too easy to be goneEach night I dream it all again  
Steel barrel up against my head  
Each night I never get away  
It's shots fired, shots fired, shotsIf the light should take me  
Then tonight I'll be freeI never had this feeling so cold  
I stood there freezing and waiting  
I never had this feeling so cold  
It seemed too easy  
It seemed too easy to be goneI'm blessed by a nightmare nightly  
And when I'm dyin' it reminds me  
I grab the air now and hold it tightly  
Remember everything I love, then I'm gone
