

Love Me Browning

Buju Banton

I say this one dedicated to my browning
Big up and test 'cause ya no stop canceling
Respect to the maximum from shoes down to the ground
Buju Banton love the article caan dun
Hear me now, Lawd, have mercy

Me love me car, me love me bike
Me love me money and ting
But most of all, me love me browning
Love me car, me love me bike
Me love me money and ting
But most of all, me love me browning

I wonder what the old viper dem thinking
Dem a plan and dem a con and dem a scheme
'Cause dem waan mash up we and mi browning
But all the rumors dem a spread, Anna pack up her head

My Lorna I'm not listening
'Cause you know when she alone
Ah mi must come back home
To her inna de evening
'Cause me ah knowledge very close
How me love her the most

And me not hurt her feelings
So all de talk dem a talk
All the chat dem a chat
My Lorna not leaving that's why

Me love me car, me love me bike
Me love me money and ting
But most of all, me love me browning
Love me car, me love me bike
Me love me money and ting
But most of all, me love me browning

Woman don't worry yourself
'Cause everything crisp and clean
Yeah, no say, next month ah come

And you must get de ring
Go in front of the pastor and get him blessing

No, make it burn for all a dem
And get the bad feeling
'Cuz dem a said dem are your friend
But run de whole a dem
'Cuz dem is too deceiving

Dem a talk behind you back
An waan borrow yu frock
To wear about this evening
But dem a lay down your clothes
Sure we are gon propose

'Cuz dem is too conniving
And if dem come back again
Then dem you know are no friend
'Cuz you nuh like a news carrying

All de girls up in de place
Uh di no big up yuh chest
De news carry ting a full time
It-a no get no rest
New year now unu fi deal wit di progress
Buju pon de mic and all the girls-a tek set

Me love me car, me love me bike
Me love me money and ting
But most of all, me love me browning
Love me car, me love me bike
Me love me money and ting
But most of all, me love me browning

I wonder what the whole tribe uh dem thinking
Dem a plan and dem a plan and dem a scheme
'Cause dem waan mash up me and mi browning
