I'm Yours

Angus And Julia Stone

Wait, wait on the corner
I'm coming for ya
You know things will change
Love is a mistake we made
Wasn't a price I wanted to pay

I'm yours
I'm yours
I'm yours
I'm yours

Hope, oh what a funny word
Wasn't like I was expecting all this falling down
I sit by the window,
Watching the air that you breathe,
So far away

I'm yours
I'm yours
I'm yours
I'm yours
