Hotel Valentine

Cibo Matto

I stay at Hotel Valentine
I'm a ghost
Only you can see meNobody cares or sees me
I just wander in this world
On the stairway I play
The game I made
Every other dayGoing through the door
Flying from the top floor
Going through the hollow
Flying in the empty airSo watch out my moves
Step one step, step, step
So watch (ut the grooves
Step one step, step, step
Oh no, copy paste again, I'm always on the run forever
Don't close the door
Of your daydream
Nowhere to fall
Nowhere
Don't fallDon't be shy
Don't be scared of me and this game's rule
Tell me if you want to play more
