The Straydog Lullaby

Still Life

The sirens fade and the dogs and me whale. I bury my face in your pillow adn I'm barking like a fool. Nobodys home and I'm sitting all alone. The sirens blare and the dogs and me whale, and I'm thinking like a broken window. Dreaming of digging holes in your yard. I'm running in circles, thinking here I'll lie down, here I'll rest. Here I'll spill my blood, and it'll stain at best. Straydog may you find you a
