

# Silent Night

## Pentatonix

Silent night, holy night  
All is calm, all is bright  
Round yon Virgin Mother and Child  
Holy infant so tender and mild  
Sleep in heavenly peace  
Sleep in heavenly peace Oh silent night, holy night  
All is calm, all is bright  
Round yon Virgin Mother and Child  
Holy infant so tender and mild  
Sleep in heavenly peace  
Sleep in heavenly peace Sleep, sleep  
Oh sleep (sleep, sleep)  
Oh sleep (sleep, sleep)  
(Sleep, sleep, sleep, sleep, sleep) Silent night, holy night  
Silent night, holy night  
Silent night, holy night  
Silent night, holy night
