

# Down Boy

Holly Valance

Down boy  
Keep you down, boy I'm the one that you would die for  
The one you long to touch  
The one you live a life for  
I know it's much The more you see, the more you want  
The more you taste, it just gets better  
The more you get, the more you like it  
Don't go too far, I won't let you Down boy  
Won't you bring me down, boy?  
Gotta keep you down  
If you want me with you Down boy  
Won't you bring me down, boy?  
Gotta keep you down  
Some things I just won't do Down boy  
Won't you bring me down, boy?  
Gotta keep you down  
If you want me with you Down boy  
Won't you bring me down, boy?  
Gotta keep you down  
Some things I just won't do Do anything to please me  
I got you where I want  
I know how much you need me  
Just wanna get it up The more you see, the more you want  
The more you taste, it just gets better  
The more you get, the more you like it  
Don't go too far, I won't let you Down boy  
Won't you bring me down, boy?  
Gotta keep you down  
If you want me with you Down boy  
Won't you bring me down, boy?  
Gotta keep you down  
Some things I just won't do Down boy  
Won't you bring me down, boy?  
Gotta keep you down  
If you want me with you Down boy  
Won't you bring me down, boy?  
Gotta keep you down  
Some things I just won't do Gotta keep you down  
Gotta keep you down

Gotta keep you downSome things I just won't do  
Some things I just won't do  
Some things I just won't do  
Some things I just won't doThe more you see, the more you want  
The more you taste, it just gets better  
The more you get, the more you like it  
Don't go too far, I won't let youDown boy  
Won't you bring me down, boy?  
Gotta keep you down  
If you want me with youDown boy  
Won't you bring me down, boy?  
Gotta keep you down  
Some things I just won't doDown boy  
Won't you bring me down, boy?  
Gotta keep you down  
If you want me with youDown boy  
Won't you bring me down, boy?  
Gotta keep you down  
Some things I just won't do
