

# A Song For You (feat. DMX & Chris Notez)

## Bizzy Bone

I love you in a place, where theres no space or time  
I love you, for the life, you're a friend of mine  
& when my life is over, remember when we were together  
We were alone, & I was singing this song to you[Bizzy 1st Verse]  
Fully-automatic, whateva you want to know  
He got's to cry, let up  
Stand in the back and ready, attack  
& ready for combat, I  
Heavly heated, weeded, beat it, need it, see it  
Get it?, get it?, get it?, good, don't get it misunderstood  
My homey lonely, homey, walking and we talking fo'sho  
& im'a be with him in the end with forgiveness, no more  
& remember the words are perfect, how could I be worthy?  
& when I feel so dam dirty, dirty  
By leaning on a leaning chair, baby ain't here yet,  
Henny, caffeine, & nicotine, notice I left out the green?  
Notice I never brake a set, who's that? Fuck it  
I don't even know the chick, I don't even know that shit  
Ex me, perplex me, flex on decks man  
Chastment, investment, quiet as kept  
I say now,  
(man, man, man, man)  
Ex me, perplex me, flex on decks man  
Chastment, investment, quiet as kept  
Fair?[Chris Notez]

I love you in a place (i love you), where theres no space or time (time)  
I love you, for the life (i love you), you're a friend of mine (mine)  
& when my life is over, remember when we were together  
We were alone, & I was singing this song to you[DMX 2nd Verse] (Bizzy)  
Mad stressed, that I cant even sleep were I rest  
So now I were a vest, but what if I don't catch it in the chest  
Then I'm out, just like the light when the powers gone  
And theres another tombstone, the child's putin' flowers on  
Long live the dream, of making enough creem  
Were I wont have to skeem, or roll around with the team  
& niggas I can't trust, & I mite have to bust  
For a somethin' (don't know) rim, comin' from (come on) the fuss  
It's to much to bare, & everyday is getting worse  
Got me plotin' on my peeps, & how to get'em first

It's something to make a nigga strive, & stay {alive}  
So I wach my own back, {with a back 45}[Bizzy]  
Are they coming? they coming to get us  
I'm ready foreva, they'll never defeat you  
They'll never deceit you![DMX]  
What!  
Come on[Bizzy]  
& were are thay coming? thay coming to get us  
Im ready for eva, they'll never defeat you  
They'll never deceit you![DMX]  
Yeah!  
Come on[Chris Notez & Bizzy Bone] (DMX)  
I love you in a place (i love you), where theres no space or time (time)  
I love you, for the life (i love you), you're a friend of mine (mine)  
& when my life is over, remember when we were together  
We were alone, & I was singing this song to you  
Tell me do you remember?, cause baby I remember  
We were alone, & I was singin' my song.  
My homey lonely, homey, walking and we talking fo'sho  
& I'ma be with him in the end with forgiveness, no more  
& remember the words are perfect, how could I be worthy?  
& when I feel so dam dirty, dirty.  
I love you in a place, (i love you) where theres no space or time (time)  
I love you, for the life, (i love you) you're a friend of mine (mine)  
& when my life is over, remember when we were together  
We were alone, & I was singing this song to you.  
(Donny Hathaway) I was singin' my song (rest in peace, baby)  
To you & only you, baby
