On My Knees

Polarbeers

all I want is to go back to the beggining, I'm trying to make it new.
It is so hard to find a way to be forgiven, for the way back to you
babe, no. don't leave me like this
i've must have been crazy, girl to do what i did.
dont you hear me calling and on my knees?
dont you feel me falling at your feet?
all alone in the darkness
whole in my heart
singing pleeeeasee.. please
hear me calling out
mmmm..
in my heart you'll find a piece of me is missing
and ---- is missing i can do.. ??
look in my eyes you'll see I'm barely even living
living without you..
got to tell you baby
i.. i've got so much to say
it caused me to pieces and you torn me away
dont you hear me calling and on my knees?

dont you feel me falling at your feet?
all alone in the darkness
whole in my heart
singing pleeeeasee.. please
babe, we've got so much to say..
it caused me to pieces and you toss me away
dont you hear me calling and on my knees?
dont you feel me falling at your feet?
all alone in the darkness
whole in my heart
singing pleeeeasee.. please
na na na na na na na...
dont you feel me falling at your feet?
all alone in the darkness
whole in my heart singing pleasee
hear me calling out
oh baby dont
im calling out on my knees
hear me calling out on my knees

dont you hear me calling out on my knees..
