Song Lyrics

God Held Me Together

[Zacardi, tell your story]

So many wonder how I survived

I can't say it was easy, but I'm still alive

God never left me, He stayed by my side

And I am so grateful He kept me, oh-oh-oh

God held me together

Made sure that I didn't lose my mind

(No not this time)

Not this time

(Through all of my struggles)

Through all my struggles

(And)

Disappointments too, You were there

(You were there)

[Listen]

I can't even tell you all I've been through

The times I was down and didn't know what to do

I almost gave up but the Lord came and He rescued me, rescued me, oh-oh-oh

God held me together

(At the lowest point in my life)

Made sure that I didn't lose my mind

(No-no-no-no)

Not this time

(Through all of my struggles)

Through all my struggles

(It really got hard sometimes)

Disappointments too

(Lord you were right there)

You were there

(Oh-oh-oh-oh)

God you were there when I couldn't sleep at night

I was lost and so confused

But I heard You say "just put your trust in Me"

That's when I gave it all, I gave it all to You

You covered me

(You covered me)

You sheltered me
(You sheltered me)
And I'm glad that You kept me safe
You held me together
(Yes You did)
God, You pulled me through
And by Your grace, I'm still here
You held me together
God You pulled me through
I'm so glad Your grace, that's why I'm still
He held me together
(I almost destroyed my own life)
God pulled me through
(But your)
And by His grace I am still here
He held me together
(Pulled me out of my own mess)
God pulled me through
And by His grace I am still here
He held me together
(You held me when I didn't know how I was gonna make it)
God pulled me through
And by his grace
(You are the only reason)
I'm still here
(That I'm still here)
He held me together
(I've lost family and I even lost some friends)
God pulled me through
(But through it all)
And by his grace I'm still here
You held me together
(When I thought I was gonna lose my mind)
He is the reason
(You're the reason)
I'm still here
(That I'm still, I'm still here)
He held me together
(In the midnight hour)
You didn't let me go
He is the reason
(Yes you are)
I'm still here
(Nobody but Jesus)
Nobody but you

(Oh, not my money)
Nobody but you
(Oh, not my father but you, you)
I'm still here
(Tried to take me out)
Nobody but you
(God you pulled me through)
Nobody but you
(Nobody but you Jesus, oh-oh-oh-oh)
