

Everytime We Touch (Dan Winter Radio Edit)

Cascada

i still hear your voice when you sleep next to me, i still feel your touch in my dreams(my dreams)
forgive me my weekness but i don't know why, without you it's hard to survive

CHORUS

cuz everytime we touch i get this feelin' and evertime we kiss i swear i can fly,
can't you hear my heart beat fast, i want this to last, need you by my side
cuz evertime we touch i feel a static and evertime we kiss i reach for the sky,
can't you hear my feel so, i can't let you go, want you in my life

your arms are my castle your heart is my sky, they wipe away tears that i cry (i cry)
the good and the bad times we've been through them all, you make me rise when i fall

CHORUSx1

cuz evertime we touch i get this feelin' and evertime we kiss, i swear i can fly
can't you hear my heart beat fast, i want tis to last, need you by my side.
