

# She Used to Say That to Me

**Rick Trevino**

Let's take a rest  
Your kisses take my breath  
You are the best  
It's never been like thisOver and over so sweet  
She'll tell you she'll never leaveIt thrills you so  
When she whispers soft and low  
Please hold me tight  
I need your love tonight  
Over and over so sweet  
She'll tell you she'll never leaveI'm yours, she sighs  
And she means it at the time  
Someday she'll go  
If you're wondering how I know  
Over and over so sweet  
She'll tell you she'll never leave  
She used to say thatOver and over so sweet  
She'll tell you she'll never leave
