

Tell Me I'm Not Dreaming (Westerville Mix)

Robert Palmer

Tell me I'm not dreaming
Tell me I'm not dreaming
Midnight
Images of you You slipped
Slipped into my room
Oh, could be magic
Could be fantasy Could it be that we're in love
Tell me I'm not dreaming
Oh your voice
Whispers in the dark You know, you're talk
Talking to my heart
Are you with me?
Am I here with you? Are we paradise?
Tell me I'm not dreaming
Or are you
Too good to be true I want to know,
Are you ooh baby
Too good to be true
Tell me I'm not dreaming The light took me by surprise
The light coming from your eyes
Are you with me?
Am I here with you? Are we in paradise?
Tell me I'm not dreaming
I know I've been here before
You go then and you come back for more Oh it's a mystery
How you disappear
Like a shadow in the night
Tell me I'm not dreaming Are you, ooh baby
Too good to be true?
Tell me I'm not dreaming
Tell me I'm not dreaming Oh when the morning comes
Wake me with your love
Let me know that
I'm not dreaming baby Will you tell me
This is real
Tell me how you feel
Say it's what we both believe in Tell me I'm not dreaming
Are you too good to be true?
