Heart-Shaped Glasses (When The Heart Guides The Ha

[Marilyn Manson](#)

She reminds me of the one in school
When I was cut and she was dressed in white
And I couldn't take my eyes off her
But that's not what I took off that nightAnd she'll never cover up what we did with her dress, no
She said, "Kiss me, it'll heal but it won't forget"
"Kiss me, it'll heal but it won't forget"I don't mind you keepin me on pins and needles
If I could stick to you and you stick me tooDon't break, don't break my heart
And I won't break your heart-shaped glasses
Little girl, little girl you should close your eyes
That blue is gettin me highDon't break, don't break my heart
And I won't break your heart-shaped glasses
Little girl, little girl you should close your eyes
That blue is gettin me high, makin me low
That blue is gettin me high, makin me lowShe reminds of the one I knew
That cut-up the negatives of my life
I wouldn't take my hands off her
She wouldn't let me be anywhere but insideAnd I don't mind you keepin me on pins and needles
If I could stick to you and you stick me tooJust don't break, don't break my heart
And I won't break your heart-shaped glasses
Little girl, little girl you should close your eyes
That blue is gettin me highDon't break, don't break my heart
And I won't break your heart-shaped glasses
Little girl, little girl you should close your eyes
That blue is gettin me high, makin me lowShe'll never cover up what we did with the dress, no
She said, "Kiss me, it'll heal but it won't forget"
"Kiss me, it'll heal but it won't forget"I don't mind you keepin me on pins and needles
If I could stick to you and you could stick me tooJust don't break, don't break my heart
And I won't break your heart-shaped glasses
Little girl, little girl you should close your eyes
That blue is gettin me highDon't break, don't break my heart
And I won't break your heart-shaped glasses
Little girl, little girl you should close your eyes
That blue is gettin me high, makin' me low
