

Just Be Good to Me

Shayne Ward

I'm not the jealous kind Friends tell me I am crazy
And I'm wasting time with you
You'll never be mine
That's not the way I see it
'Cause I feel you're already mine
Whenever you're with me [Chorus]
People always talkin' 'bout your reputation
I don't care about other guys
Just be good to me Love is a game of chances
So I'll take my chance with you
And you I won't try to change
We talk about it and I
Never have a piece of you
Then all of nothing [Chorus] Friends are always telling me
You're a user
I don't care what you do to them
Just be good to me
Just be good to me In the morning
Just be good to me
In the afternoon or evening
Just be good to me I'm no the jealous kind
I won't tie you down when you need me
I'll be around
I'll be good to you
You'll be good to me We can be together be together
Just be good to me
Just be good to me
In the afternoon or evening
Just be good to me
