

# Take Me Out of the Dark

Gary Valenciano

Just what is it in me  
Sometimes I just don't know  
What keeps me in your love  
Why you never let me go  
And though you're in me now  
I fall and hurt you still  
My Lord, please show me how  
To know just how you feel  
You have forgiven me  
Too many times, it seems  
I feel I'm not what you might call  
A worthy Christian after all  
And though I love you so  
Temptation find its way to me

Chorus:

Teach me to trust in you with all of my heart  
To lean not on my own understanding  
'Cause I just forget  
You won't give me what I can't bear  
Take me out of the dark, my Lord  
I don't wanna be there  
ooh,ooh,wooh

You've never left my side  
You gave your hand to me  
to hold you, Oh Jesus,  
I'm no longer in the cold  
And yet, I leave you there  
When I feel satisfied  
I'd like to thank you everyday  
Not only when I feel that way  
I've never known a man who'd give his life  
For sinners like me  
And yet because he loves us so  
He's promised us eternity  
And we can have that promise and be His  
If we have faith and just believe

Chorus:

Teach us to trust in you with all of our heart  
To lean not on our own understanding  
'Cause we just forget  
You won't give us what we can't bear  
Take us out of the dark, my Lord  
'Coz we don't wanna be alone  
Take us out of the dark, my Lord  
we don't wanna be there  
my Lord

Reapeat Chorus

ooh, wooh
