

# Rip Off (Studio Version)

## Mindless Self Indulgence

Now's the time for you to rip me  
make yourself  
Feel like aOh my god you're doing it  
No, no, no it's like1,2,3,4We will be incarcerated  
This one cannot be debated  
This much i have estimated  
You will thank me much much later  
Much, much, much laterNow's the time for you to rip me  
make yourself  
Feel like aOh my god you're doing it  
No, no, no it's likelick my fat ass  
We will be incarcerated  
This one cannot be debated  
This much i have estimated  
You will thank me much much later with the...Much, much later (x 2)We ripped everything we know from  
everybody anywayNow, now, now we've be gone and lost karate  
I wanna ---- in  
Yo I wanna ---- in1,2,3,4We will be incarcerated  
This one cannot be debated  
This much i have estimated  
You will thank me much much later
