

# Halo (Demo)

[SOiL](#)

I'm the man, I'm the king, I'm the one that's pure inside  
Everyday, everyway I smell of suicide  
Bitter sins how they grow within, so you tell me it ain't right  
I am all sins and you're my reason for life I will stone you, stone you  
Wrap my arms around you  
I will stone you, stone you  
My little Halo I will stone you, stone you  
Wrap my arms around you  
And I will stone you, stone you  
My little Halo I'm the man, I'm the king, I'm the one, that's broken from giving  
Everday, everyway I swear just one last try  
Killing me with the death to be something that's so right  
I am all sins my hands are scarred with time I will stone you, stone you  
Wrap my arms around you  
And I will stone you, stone you  
My little Halo I will stone you, stone you  
Wrap my arms around you  
And I will stone you, stone you  
My little Halo Some leave me  
Feel through my eyes I'm the man with the rock in his hand  
Got the rock in my hand gonna stone you stone you  
I'm the man with the rock in his hand  
Got the rock in my hand gonna stone you stone you I'm the man with the rock in his hand  
Got the rock in my hand gonna stone you stone you  
I'm the man with the rock in his hand  
Got the rock in my hand gonna stone you Make a change, gotta rearrange  
Idle minds, crushing time  
I am all sins and you're my reason for life I will stone you, stone you  
Wrap my arms around you  
And I will stone you, stone you  
My little Halo I will stone you, stone you  
Wrap my arms around you  
And I will stone you, stone you  
My little Halo I will stone you, stone you  
Put my god damn arms around you  
And I will stone you, stone you  
My little Halo I will stone you, stone you  
Put my arms around you  
I will stone you, stone you
