

# Fly Away (Extended Version)

Haddaway

It's a dream of worlds in motion  
And another place and time  
I guess I'm feeling lost  
In the home I thought was mine It's a universal notion  
Life is just a battlefield  
Open your heart for someone  
Nothing is revealed Fly away  
You can leave it all behind you  
I'm on my way to find you  
And I'll soon be flying too Fly away  
We can fly away together  
I'm talking 'bout forever  
This is all we gotta do, fly away It's a tangled up emotion  
Will you stay or will you go?  
I am the one to count on  
If only you could know Fly away  
You can leave it all behind you  
I'm on my way to find you  
And I'll soon be flying too Fly away  
We can fly away together  
I'm talking 'bout forever  
This is all we gotta do, fly away
