The Devil

PJ Harvey

As soon as I'm left alone The Devil wanders into my soul And I pretend to myself And I pretend to myselfI go out to the old milestone Insanely expecting you to come there knowing That I wait for you there That I wait for you thereCome, come Come here at once Come, come On a night with no moonBecause all of my being Is now in pining All of my being Is now in piningWhat finally cheered me Now seems Insignificant Insignificant
