

Angel

:Wumpscut:

Angel Come To Me
To Me Come To Me
Angel Belong To Me
To Me Belong To Me
Angel You Have Wings
 To Fly Fly To Me
 Angel Do You Doubt
 No Need To Have Doubt
 Angel Feel My Love
 My Love For You
 Feel My Love For You
 Angel Carry Me
To You To Your Home To Paradise
 Angel I Would Lie For You
For You Just For You With My Yearning Heart
 And Angel I Would Die For You
For You Just For You With My Burning Heart
 Angel Don't Feel Liable
For Me And My Pain Don't Feel Liable
 Cause Angels Must Be Free
 High Up From This World In Eternity
 Angel I Could Clip Your Wings
To Catch All Your Love To Calm Your Pain
 But Angel This Would Be So Wrong
 You Would Bleed To Death Immediately
 So Angel Come To Me
 Heal My Glaring Pain Voluntarily
 I Love You
