In Love With Another Man

Jazmine Sullivan

If I could, could forget him
I would, please believe me
And I know that I should throw the towel in
But baby, it's not, not that easy, hey
You treat me so much better than him
And if I was sane there'd be no competition
But, but I'm in love with someone else
And I'm so sorry, hey, hey
I'm in love with another man
And I know it ain't right, hey
You should go and find someone else
Who can treat you right, give you the world
Someone who understands the man you are
?Cause baby, you shine so bright
And I would just dim your star
A girl who'll treat you like you treat them
Boy, I know there's plenty women
Who would love to have a man like you
But I'm in love with someone else
I'm so sorry, baby, hey
I know I ain't right, no, no, no, no, no, no, no
For what I did to you, baby, oh oh yeah
I can't explain why it's him and not you
But at the end of the day, baby, I just don't want to
?Cause he ain't no doctor, now and we always seem to fight
He got the perfect body and sometimes he don't even treat me right
Oh, but when I'm with him, but when I'm with him, hey
When I'm with him, ain't nobody else like it
I'm so sorry, baby, that I have to do this to you
But I can't go on pretending now, because I love him, I love him
And I'm so sorry, do you hear me?
I'm so sorry but I love that man, I love that man, oh
He ain't always right, but he's just right for me, oh oh
I'm in love with another man
And I'm so sorry, hey
But I love someone else
