Thoughts

Reactive Black

Sometimes
There's nothing left
Inside of you
Itâ€™s like a big open wound

And sometimes
There's so much pain
Inside of you
It's like a big bleeding wound

A big bleeding wound

Sometimes
There's so much pain
Inside of you
It's like a big bleeding wound

And sometimes
There's nothing left
Inside of you
It's like a big big emptiness

Emptiness
Never-ending
Emptiness
Never-ending
Solitude

Darkness
