

Angel of Mine (Blacksmith R&R Dub)

Eternal

Oh, angel When I first saw you I already knew
There was something inside of you
Something I thought I'd never find
Angel of mine I look at you
(Looking at you)
Looking at me, now I know Why they say the best things are free
Gonna love you 'til the end of time
Angel of mine What you mean to me, you'll never know
Deep inside I need to show You came into my life sent from above
Better than a dream, such a perfect love
And I'll adore you 'til the end of time
Angel of mine Woah, waoh, angel, yeah, oh Nothing means more to me than what we share
No one in this whole world can ever compare
Last night the way you moved is still on my mind
Angel, angel of mine What you mean to me you'll never know
Deep inside I need to show You came into my life
(My life)
Sent from above, better than a dream
Such a perfect love, perfect love And I'll adore you 'til the end of time
Angel, angel of mine, of mine
Angel, oh angel, angel I never knew I could feel each moment
As if it were new
Every breath I take or vow that I make
I want to share it with you, share it with you When I first saw you I already knew
There was something inside of you
Something I thought I'd never find
Angel of mine You came into my life, sent from above
Up above baby better than a dream
Such a perfect love, you're such a perfect love
And I'll adore you 'til the end of time
Angel of mine What you mean to me you'll never know
Deep inside I need to show I look at you, looking at me, now I know
Why they say the best things are free
Gonna love you 'til the end of time
Angel of mine
