Something 2 Dance 2

N.W.A

Yo give me something 2 dance 2Calling the police, calling the G-Men
Calling all Americans to war with the underworldArabian Prince, back wit a style that's hype
Not slow and low, it's the fast type
Gettin' dumped, can you hear the drums
Yo, Dre why don't you pump it up someI pumped it up so now what's up
Yo, Yella boy, add a little cut
What the hell, you think we need some bells
Yeah, homeboy, might as wellThere it is, so now what's next a little
So find me a ho, wait a minute, you need somethin' else then it
This is what I want you to do, feel the groove, bust a move
Yo, yo, I'm tired, what about you, man this is somethin' to dance toMan that's wack, everybody used that
Yo, why don't you bring back the other track
Yeah, there you go that's what I'm sayin'
I like it when that dope stuff's playin'Real loud, in ya ear hole
Man let's go, I think my feet are swoll' from dancin' so damn much
Man, I don't give a, what you wanna leave?
With all these females pullin' on my sleeveI bet, you can jet, homeboy, no sweat
This is what I want you to do
Feel the groove, bust a move
Here I come to see the dance
This is something 2 dance 2Let the bass kickThis is something 2 dance 2
This is something 2 dance 2
This is something 2 dance 2
This is something 2 dance 2This is something 2 dance 2
This is something 2 dance 2
This, this is something 2 dance
