You've Got To Stand For Something

Aaron Tippin

Now daddy didn't like trouble, but if it came along
Everyone that knew him knew which side that he'd be on
He never was a hero, or this county's shinin' light
But you could always find him standin' up for what he thought was rightHe'd say you've got to stand for somethin' or you'll fall for anything
You've got to be your own man, not a puppet on a string
Never compromise what's right and uphold your family name
You've got to stand for something or you'll fall for anythingNow we might have been better off or owned a bigger house
If daddy had done more givin' in or a little more backin' down
But we always had plenty just living his advice
Whatever you do today, you'll have to sleep with tonightHe'd say you've got to stand for something or you'll fall for anything
You've got to be your own man, not a puppet on a string
Never compromise what's right and uphold your family name
You've got to stand for somethin' or you'll fall for anythingI know that things are different than they were in daddy's days
But I still believe what makes a man really hasn't changedYou've got to stand for something or you'll fall for anything
You've got to be your own man, not a puppet on a string
Never compromise what's right and uphold your family name
You've got to stand for something or you'll fall for anything
You've got to stand for something or you'll fall for anything
