

Try a Little Kindness (Remastered 02)

[Glen Campbell](#)

If you see your brother standing by the road
With a heavy load from the seeds he's sowed
And if you see your sister falling by the way
Just stop and say, you're going the wrong way You got to try a little kindness
Yes show a little kindness
Just shine your light for everyone to see
And if you try a little kindness
Then you'll overlook the blindness
Of narrow-minded people on the narrow-minded streets Don't walk around the down and out
Lend a helping hand instead of doubt
And the kindness that you show every day
Will help someone along their way You got to try a little kindness
Yes show a little kindness
Just shine your light for everyone to see
And if you try a little kindness
Then you'll overlook the blindness
Of narrow-minded people on the narrow-minded streets
