

# It's All You

## Sebadoh

Driven to live, but now I complain  
I'm fallin' apart when I feel this way  
I can't ignore, I can't exist  
The door is locked and on my mind, it's Anytime you want me  
I feel good all over  
Spending all my time  
It really is a good thing This is good, it's all we have  
Now I know there's nothing left  
I'm trapped, I'm trapped  
My head is filled with facts and it's all you Sick in the head, I think it's a game  
But if it was, I wouldn't feel this way  
I'm doing my chorus, I'm checking my list  
I'm walking the dogs, and on my mind, it's I'm gonna get so wasted  
Gonna feel good all over  
I'm spendin' all my time  
Wishing you were with me It's you, it's you, it's you, it's you, it's all you  
It's you, it's you, it's you, it's all you
