

# Christmas Isn't Safe For Animals

## Of Montreal

Is Christmas safe?  
Is Christmas safe?  
Is Christmas safe for animals?  
Soft and squishy animated mammals  
Tapping so lightly on their teeth with a gun  
My god, are they cold?

Is Christmas safe?  
Is Christmas safe?  
Is Christmas safe for animals?  
Crippled with fear of the sparking wires  
On an electrical beach  
Plagued by the thought  
That a bird cannot smile

Why rent when you can own your own washer and dryer for \$225 each? Put it on your Sears card!  
Why rent when you can own your own washer and dryer for \$225 each? Put it on your Sears card!  
Put it on your Sears card!  
Why rent when you can own your own washer and dryer for just \$250 a month? Put it on your Sears card!  
Why rent when you can own your own washer and dryer for \$225 each? Put it on your Sears card!  
Why rent?  
Put it on your Sears card!
