

Heartbeat

MacKenzie Bourg

Set my heart on fire
Darling make this real
That's how stories are
How we used to feel
Like up on that ferris wheel Call me Captain I take this ship home
I never let you feel let you feel alone
Get you right back on your throne C'mon let's prove them wrong
'Cause I can do this all night long
You know me better than I know myself
I'm not wasting my time loving somebody else
I'm sure
You're the one that my heart's beating for
(hey) Help me to catch all these butterflies
There is a beautiful ja-ruth pie hiding deep in your eyes
I'm sure
You're the one that my heart's beating for
(ohhhhhhhhhhhhhhhhh) Trouble waters they come and they go
I'm gonna fix your heart the one I broke
All my soul to you I owe C'mon let's prove them wrong
'Cause i can do this all night long
You know me better than I know myself
I'm not wasting my time loving somebody else
I'm sure
You're the one that my heart's beating for
(hey) Help me to catch all these butterflies
There is a beautiful ja-ruth pie hiding deep in your eyes
I'm sure
You're the one that my heart's beating for I need your love
I plead your life
Won't let you go
Give me a sign
Make up your mind
I just wanted to make things right (ohhhhhhhhhhhhhhh) You're the one that my heart beats for
My heart beats for you 'cause
you know me better than I know myself
I'm not wasting my time loving somebody else
I'm sure
You're the one that my heart's beating for
Help me to catch all these butterflies

There is a beautiful ja-ruth pie hiding deep in your eyes
I'm sure
You're the one that my heart's beating for(ohhhhhhhhhhhhhhh)I'm sure
You're the one that my heart's beating for
