Wishing On a Star

Paul Weller

I'm wishing on a star
To follow where you are
I'm wishing on a dream
To follow where you'll beAnd I'm wishing on all the rainbows that I see
Wishing on all the people, who've ever been
And I'm wishing on tomorrow, when will it come
And I'm wishing on all the lovin' we've ever doneI'm wishing on a star to follow where you are
I never thought I'd see a time when you would be
So far away from home
So far away from meJust think of all the moments that we'd spent
I just can't let you go from me, you were meant
And I didn't mean to hurt you, and I know
That in the game of lovin' you, I was slowI feel it's time for us to make up, baby
I feel it's time for us to get back together
And make the best of things, oh, baby
When we're together, oh whether or neverI feel it's time for us to make up, baby
I feel it's time for us to get back together
And make the best of things, baby
When we're together, yeah whether or neverAnd I'm wishing on a starAnd I'm wishing on all the rainbows that I see
Wishing on all the people who've ever been
Wishing on tomorrow, when will it come
I'm wishing on all the lovin', we've ever doneThat I'm wishing on a star
To follow where you are, oh ya
I'm wishing on a dream to follow where you been
Said, "I'm wishing on a star"
