Must Go On

C21

I see no picture of you, no.
We never ended this right, so.
Now I'm back and on time.
Strong enough to keep you in mind.How could I miss such beautiful lips.
When I can't deny just a look in your eyes.
Takes me higher than high.
I just realize.Time is passing by.
I tremble as I try.
To tell you why.
I'm so confused.
And it has to turn out right.
Just one minute of your time give me.
Just one hour I can never let you be.
Must go on like a heart with a beat.
If you believe in me.
I always wanna be.Imagine roses frozen but alive.
So sad I wonder could you be mine.
I'm drawing xx.'s 'cause I can't write.
It feels like snow in July.When I can`t reply to a question it`s you.
I'm awake all night, can't sleep 'cuz it's you.
There`s nothing left for me to hide.
You beat up my world inside.Time is passing by.
I tremble as I try.
To tell you why.
I'm so confused.
And it has to turn out right.
Just one minute of your time give me.
Just one hour I can never let you be.
Must go on like a heart with a beat.
If you believe in me.
I always wanna be.Just one minute of your time give me.
Just one hour I can never let you be.
Must go on like a heart with a beat.
If you believe in me.
I always wanna be.Now I'm back, I'm back on time.
Now I'm back, I'm back on time.
Now I'm back, I'm back on time.
Strong enought to have you in my mind.Just one minute of your time give me.
Just one hour I can never let you be.

Must go on like a heart with a beat.
If you believe in me.
I always wanna be.
