

Suerte

Sara Valenzuela

Lucky you were born that far away so
So we could both make fun of distance
Lucky that I love a foreign land for
 The lucky fact of your existence
Baby I would climb the Andes solely
 To count the freckles on your body
Never could imagine there were only
 Ten million ways to love somebody
 Lo ro lo le lo le
 Lo ro lo le lo le
 Can't you see?
 I'm at your feet
 Whenever, wherever
 We'll learn to be together
I'll be there and you'll be near
 And that's the deal my dear
 They're over you're under
 You'll never have to wonder
 We can always play by ear
 But that's the deal my dear
Lucky that my lips not only mumble
 They spill kisses like a fountain
Lucky that my breasts are small and humble
So you don't confuse them with mountains
Lucky I have strong legs like my mother
 To run for cover when I need it
 And these two eyes are for no other
 The day you leave we'll cry a river
 Lo ro lo le lo le
 Lo ro lo le lo le
 At your feet

 I'm at your feet
 Whenever, wherever
 We're meant to be together
I'll be there and you'll be near
 And that's the deal my dear
 They're over you're under
 You'll never have to wonder

We can always play by ear
But that's the deal my dear
Lo ro lo le lo le, lo ro lo le lo le
 Think out loud say it again
 Lo ro lo le lo le lo le
 Tell me one more time
That you'll live lost in my eyes
 Whenever, wherever
 We'll learn to be together
I'll be there and you'll be near
 And that's the deal my dear
 They're over you're under
You've got me head over heels
 There's nothing left to fear
If you really feel the way I feel
 Whenever, wherever
 We're meant to be together
I'll be there and you'll be near
 And that's the deal my dear
 They're over you're under
You've got me head over heels
 There's nothing left to fear
If you really feel the way I feel
