

She's Not There (New Stereo Version)

Vanilla Fudge

No one told me about her
The way she lied
Well, no one told me about her
How many people cried Well, it's too late to say you're sorry
How would I know, why should I care
Please don't bother trying to find her
She's not there...oh oh oh Nobody told me about her
What could I do
Well, nobody told me about her
Though they all knew Well, it's too late to say you're sorry
How would I know, why should I care
Please don't bother trying to find her
She's not there....
