Darling Days

Jeannie C. Riley

If I never love again I won't feel cheated
You gave me more than I knew how to use
From the day we met my journey was completed
Even though my autum years won't be with youSeems like yeasterday we called each other darling
Seems like yesterday you reached and touched my hand
I'd love to hear you say good morning darling
Of what I'd give to live those darling days again
[steel]
Today my heart survives on love that's borrowed
From all the happy yeasterdays we knew
If I knew for sure the world would end tomorrow
I'd have to spend my last day loving youSeems like yeasterday...
Of what I'd give to live those darling days again
