

Reckless

Papa Roach

Please forgive me
When I turn out the lights
Watch this haunted day
Turn into a wasted night
So cut me off, throw me out
'Cause I'm a reckless
I'm a reckless *** damn son of a bitch
I'm reckless, so reckless
God save me from this madness
I'm reckless, so, so reckless
God save me from this madness
I'm walking on broken glass
From the wreckage of my past
I'm locked up in a cage
'Cause I'm a prisoner of my ways
So cut me off, throw me out
'Cause I'm a reckless
I'm a reckless *** damn son of a bitch
I'm reckless, so reckless

God save me from this madness
I'm reckless, so reckless
God save me, save me from this madness
Thank God, I've got a woman
With my name across her heart
Loving me ain't easy
Loving me is hard
I'm sorry about the madness
But that's the way it's gotta be
'Cause it takes a crazy woman
To love a reckless man like me
I'm reckless, so reckless
God save me from this madness
I'm reckless, so, so reckless
God save me, save me from this madness
I'm reckless, so reckless
God save me, save me from this madness
I'm reckless, so reckless
God save me, save me from this madness
