

# Pay No Mind

Shannon Wright

I'm the bagpipe that is bursting  
I'm the shuffleboard at night  
Your eyes they swim like oceans  
Every word is a lovely rhyme  
You're sporadic and so lovely  
    Every room is so alive  
    I'm laughter and a fake  
    My bulb is an ugly shrine  
        Pay no mind to me  
        I cannot show love
